

Parachute Law Referral and Earn Program

What is the program?

Parachute Law Solicitors will hold a Referral and Earn program with you, a friend of the Firm. Your referrals help us to grow our business and to say thank you, both yourself and the client will receive an Amazon.co.uk E-Gift Card for any referral that instructs us.

Who can participate?

Any individual can refer a potential client. All you need to do is provide us with their name and contact info, as well as a bit of a background as to their requirements.

We'll reach out to your referred individual and if they instruct, then 4-8 weeks after the transaction is completed we'll send you the Amazon E-gift card by email.

While any individual can refer us new clients, current members of the Firm, including staff, paralegals, support personnel, and their relatives, either by affinity or consanguinity up to the third degree are disqualified to participate in the referral program.
